

Make your workplace as smart as the people in it

Smart, simple and reliable solutions for your modern workplace

Room booking system

Bridge the gap between your digital calendar and physical workplace.

Hot desking

Book your seat for the day – directly on your desk or in advance from your phone.

Wayfinding

Your entire workplace on one interactive, single screen.

Mobile scheduling

Instant access to all your meeting rooms and resources from wherever you are.

Our customers

"Meetio has a team of professionals who understands the challenges of a company – they take the time to measure and investigate in order to provide tailored solutions and innovate based on your actual needs."

- Reza Dizadji - IT Digital Workplace Leader, WABCO
